Dear Chief & Council: **RE: Governance Dispute**

In view of the competing claims for the offices of Chief and Councillors of the Roseau River Anishinabe First Nation, INAC is making its own business decision as to how it will continue to provide funding for the benefit of the Roseau River Anishinabe First Nation. Under the circumstances and at this point INAC intends to continue with the current funding arrangement duly executed by Chief Nelson and his Council.

If there are any questions or concerns regarding the above, I may be reached at (204) 983-2475.

Sincerely,

Mary A. Blais
Regional Director General
